Vote Fitzgerald November 5th

Thank You!

Scott Fitzgerald,

A Strong Community Leader

Dear Friends,

As I approach the end of my second term as your state senator, I want to thank you for the opportunity to serve you and your family. The challenges and rewards are many. And through it all, I've enjoyed the support of my own family as well as the encouragement from so many citizens throughout the community. Thank You.

Fitzgerald

for State Senate

REPUBLICAN

AUTHORIZED AND PAID FOR BY
SCOTT FITZGERALD FOR STATE SENATE,
TOM HICKEN, TREASURER

As your state senator, I've worked very hard to expand quality health care programs, reduce taxes, reform state government, and preserve quality education for our children.

In recent years, we've made significant improvements to our health care system. SeniorCare provides prescription drug relief for many seniors, and BadgerCare was recently expanded to cover many more low income families without health care. Small business owners and their employees will also benefit from a new statewide health insurance pool that will help control costs and expand health care services.

I've also supported a number of measures that have reduced our Wisconsin income tax rates by \$1 billion, and I actively supported legislation to reform state government by eliminating "insider" caucus staffs and legal fees. I also opposed raiding the tobacco money.

But much work still needs to be done. So I ask for your support in our effort to preserve conservative moral values, protect local merchants and farms, keep taxes and spending in check, and preserve quality education for our children.

It has been a privilege to represent and serve the people of the 13th Senate District. Once again, I ask for your support and vote in November.

Fought to "Clean Up" State Government

- Successfully opposed costly 100% taxpayer funding of all elections, and supported a ban on so-called "issue ads" in the last 30 days of an election.
- Successfully opposed an unfair and costly early retirement program.

Voted to Reduce Taxes

- Took the lead in the creation of a comprehensive and popular "freeze" plan to eliminate the budget deficit.
- Fought to protect small businesses, merchants, and farmers from costly regulation and increased taxes.

Supported a Conservative Legislative Agenda

- Supported the new "Truth-in-Sentencing" system that creates penalty enhancers and brings certainty to periods of incarceration.
